

Antiquing Powder Color Chart

for decorative concrete overlays

Brick Red

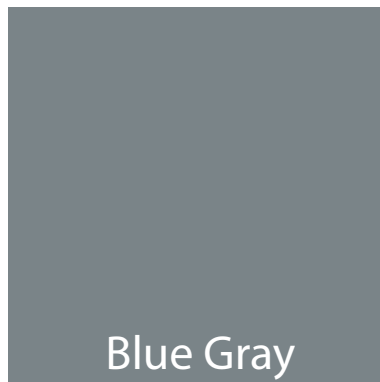

**Excellent Coatings
International**

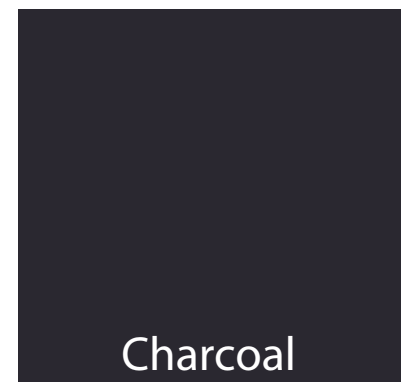

Tile Red

Gray Slate

Blue Gray

Charcoal

French Gray

Walnut

Rustic Brown

Terra Cotta

Note: Color selections shown on this chart approximate as closely as possible the appearance of Excel-Coat Antiquing Powders.

Variations can be expected due to job conditions, substrate color, amount applied, and concrete finishing techniques. It is suggested that a sample be made to verify color tone and coverage.

Be aware that the final clear seal-coat will darken the color of the antiquing powders.

Autumn Brown
